## About the ShoeBox Recycling Campaign

Back on My Feet Indianapolis is partnering with ShoeBox Recycling to collect gently used shoes. Every pair of gently used shoes you recycle helps Back on My Feet Indianapolis raise funds and helps them get one step closer in their efforts to promote independence within our local homeless community.

## Where can I recycle my gently used shoes?

Individuals can recycle your gently used shoes in the designated ShoeBox Recycling boxes.

## What types of gently used shoes can I recycle?

ShoeBox Recycling will accept the following, wearable (no holes in the soles or shoes that will need cobbling or mending) pairs of men's, women's and kid's shoes in all shapes, sizes and colors, including athletic shoes, cleats, work boots, dress shoes, casual shoes, sandals, heels, and flats; anything as long as they are gently used and re-wearable.

Unfortunately, ShoeBox Recycling is unable to accept: ski boots, heavy winter boots, roller skates or rollerblades, ice skates, flip flops/crocs, bedroom slippers and single shoes.

Back on My Feet combats homelessness through the power of running, community support and essential employment and housing resources.
